

Photo Scavenger Hunt

HIKE @ Kartchner Caverns

Come learn about what's living out in our desert landscape!

Meet in the Outdoor Amphitheater at 5:30. It is a Photo Scavenger Hunt, so a digital camera or smart phone is necessary. Foothills Loop trail will be used. The trail is moderately difficult and requires hiking footwear. Fun for the whole family. Please bring water. Due to monsoon season it is always possible that the hike will be delayed a short time or have to be rescheduled if severe weather is present.
